6.1 The Customer acknowledges and agrees that service availability is subject to availability of resources including, without limitation, availability of a suitable fibre network infrastructure at the time the Service is requested or delivered.

6.2 A Customer will be deemed ineligible to sign up for the Service if fibre is not available at the Customer's premise and MT shall not be liable in any way whatsoever for lack of fibre coverage.

7.0 Traffic Policy

7.1 The Service is a shared access service depending upon both local and international resources. MT intends to provide to all Customers a reasonable level of service and distribute resources among them, as per the Fair Usage Policy.

7.2 my.t home Service is a best effort service and no guarantee will be made regarding the speed of access, the quality of content transmitted or the amount of time taken before content is made available.

7.3 MT is not responsible for delays, interruptions, errors or omissions in the transmission/ reception of the signals/contents and MT does not warrant the truth or validity of the information contained in the Content.

7.4 The content is provided on an "as is" and as available basis without warranty of any kind, express or implied, including, without limitation, the implied warranties of merchantability, fitness for a particular purpose, or non- infringement.

8.0 Term

8.1 The Service shall be provided with a Minimum Subscription Period of twelve (12) calendar months that will start as from the date of provision of the Service at the Customer's premises.

8.2 Unless notice is given in writing one month before the expiry date, the subscription shall be renewed automatically for a further period of twelve months.

8.3 In the event that the Service is terminated before the expiry of the Minimum Subscription Period by the Customer for any reason whatsoever or by MT as a consequence of any breach by the Customer of any of the obligations or duties of the Customer, then notwithstanding any provision to the contrary in the terms and conditions in this Agreement, the Customer shall pay to MT the following:

8.3.1 The charges, fees and/or rentals up to the end of the Minimum Subscription Period or

8.3.2 The charges, fees and/or rentals due till the date the Service is terminated.

8.4 The term of this Agreement shall commence as from the date the Service is provisioned at the Customer's premises and shall last till the end of the Minimum Subscription Period or till the date the service is terminated.

8.5 At the end of the Minimum Subscription Period, the subscription will be renewed automatically for a new minimum subscription period of 12 months. The Customer may terminate the Agreement in the subsequent year(s) of subscription at any time following 2 months' notice to MT.

9.0 Tariffs and Payment

9.1 The charges, fees and/or rentals for the Service and/or equipment, shall be at the prevailing rates, as may be amended by MT from time to time, and payable in advance or at such other time in accordance with MT's policy, schemes of service, or requirements.

9.2 All outstanding MT telephone bills shall be paid in full before subscribing to the Service. The charges, fees and/or rentals of the Service and/or equipment shall commence from the date MT provisions the Service to the Customer.

9.3 Any technical assistance provided to the Customer upon request shall be invoiced over and above the service charges.

9.4 MT may alter the amount of the charges, fees and/or rentals for the service and/or equipment, at any time and shall notify the Customer in writing of any alteration (either increase or decrease) and such change shall take effect from the date specified in such notification which shall not be less than 30 days after sending such notice.

9.5 The charges, fees and/or rentals for the Service, for the first month, shall be calculated on a pro rata basis depending on the number of days the Service has been provided in the first month.

9.6 The monthly charges shall be billed on the telephone number as specified in the my.t home Application Form.

9.7 In the event that MT's staff and/or authorised agents have been called upon to attend to a fault at the Customer's premises, MT reserves the right to invoice for the onsite assistance in the event the fault does not originate from MT's equipment or network.

10.0 MT'S Equipment

10.1 MT will provide the Customer with a suitable CPE/Equipment to access the Service.

10.2 On termination of Service, the Customer shall make available the Equipment for recovery by MT or otherwise return the Equipment in the same condition as originally installed (ordinary wear and tear excepted). Failure to do so within 60 days of termination of Service will give MT to charge Customer the fair market value of the Equipment or that of its replacement product.

10.3 The Equipment shall remain the property of MT.

10.4 The Customer shall not:

- (i) use or permit the use of any Service or install, connect, link or use (or permit the installation, connection, linking or use) of any equipment, telecommunications or broadcasting equipment in contravention of any law or in any manner or in connection with or for the purposes of any activities which would or may cause any irritation, annoyance, embarrassment, harassment, disturbance or nuisance of any kind whatsoever to or otherwise be prejudicial to the interests of any person including MT or which would disrupt the provision or operation of any telecommunications service or broadcasting service by MT;
- (ii) carry out or permit to be carried out any additions, improvements, adjustments, modifications, alterations or replacements to any MT Equipment including software without the prior written consent of MT;
- (iii) without the prior written consent of MT, use, or permit any Service to be used, in any way to directly or indirectly carry or transmit (or facilitate the carriage or transmission) of any message, data or information which does not belong to or originate from the Customer, for the purpose of telecommunications or facilitating telecommunications between persons which are

- not Customer, for the purpose of (or in conjunction with) the marketing, sale or provision of any telecommunications service or facility to any person or for the purpose of re-selling any Service;
- (iv) allow or permit any person to utilise the Service or any MT Equipment or software or retain possession of any MT Equipment or Software without the prior written approval of MT; or
 - (v) use or permit any Service or any telecommunications equipment or broadcasting equipment to be used in any manner or for any activity whatsoever which generates or is likely to generate telecommunications traffic or usage which causes or is likely to cause congestion in or disruption to the provision or operation of any telecommunications service by MT or other licensees of ICTA, without the prior written consent of MT.

11.0 Equipment Warranty

11.1 The equipment provided by MT is covered by a one (1) year return to base warranty. This means that equipment thought to be faulty must be returned to MT at the Customer's expense for testing, repair or replacement. Replacement units are not provided until testing has been completed, and the unit is found by us to be faulty.

11.2 The warranty period will commence from the date of dispatch from our premises to the Customer.

11.3 The warranty period will not restart if a replacement unit is issued.

11.4 If the equipment provided by or bought from MT is returned to MT within the 1 year warranty period and is found to be faulty by MT, MT will replace, repair or credit the Customer's account for it at its discretion, unless MT find that the fault was caused by:

- (a) A piece of equipment not supplied by MT; or
- (b) A Force Majeure Event; or
- (c) Interference or modification to the equipment not performed by MT, or a failure to use the equipment in accordance with the manufacturer's or MT's specifications/ instructions; or
- (d) Damage caused by the Customer or a third party.

11.5 Operation and maintenance of equipment which has not been purchased from MT or is outside of any warranty provided by MT are the Customer's responsibility.

11.6 In case of cancellation and non- return of equipment (Optical Network Terminal/ set-top box), the Customer will be charged a penalty fee of Rs 5,000 per equipment.

12.0 Installation, Cabling and Relocation of Equipment

12.1 To enable MT to provide the Service, certain Equipment may need to be installed at the Customer's Stipulated Premise. Before accepting the Customer my.t home Application Form, MT may give the Customer some advice or any necessary preparation.

12.2 The Customer agrees and understands that if he/she is not reachable for an appointment date for the installation, upgrade or change in equipment of the Service for a period of sixty (60) days for standard applications or thirty (30) days for promotional offers despite reasonable efforts, MT may at its absolute discretion cancel the request (or MT shall deem request as cancelled).

12.3 The Customer shall be responsible to provide enough main socket outlets at the Stipulated Premise to provide a power supply for any Equipment which may form part of the Service.

12.4 Where the Customer is not the owner of the Stipulated Premise and/or any such third party authorization is required, the Customer will be responsible to obtain such necessary approval, permission and consent from the owner or such other party thereof for the installation and the work required to be carried out by MT for the purpose. The Customer further agrees to indemnify and hold MT harmless in respect of any claims against MT in respect of any and all work carried out by MT for the installation at the Stipulated Premises.

12.5 Where the Customer has authorised a third party representative to act on his/her behalf in the event he/she is not present at the Stipulated Premise during installation of the Service by MT, the Customer agrees not to hold MT liable for any representations and/or instructions made or given by such authorized representative to MT technicians.

12.6 In the event that MT believes that any installation at the Stipulated Premises would require, involve or incur:

- (a) any risk of injury to any person;
- (b) the use of additional equipment;
- (c) the relocation of any structure, fixture or fitting at the Stipulated Premises; or

(d) additional costs, expenses or man power resources, MT reserves the right to decline to proceed with any installation work or impose such conditions (including the provision of equipment or the payment of any charges or reimbursement of expenses by the Customer) as it may consider appropriate and defer the installation and the provision the Service to the Customer until after all such conditions have been fulfilled.

12.7 The Customer shall procure that work carried out by MT at the Stipulated Premises is not removed or relocated (whether within or outside the Stipulated Premises) without MT's prior written consent.

12.8 Upon conclusion of the installation process, the Customer or any of his/her authorised representative will be required to sign an order completion form acknowledging that the Service and equipment have been installed, activated and is fully functional to his/her satisfaction. MT shall not entertain any subsequent requests to remove and/or relocate any installation of cable and/or equipment unless the Customer agrees to pay such charges as may be imposed by MT therefore.

12.9 The Customer shall indemnify MT against all costs and expenses incurred in removing and/or relocating the installation of the cable or any equipment or posts used for the Service in the event any owner or occupier of any property through, under, over, across, in or upon which such cable or equipment are placed, requests such removal or relocation.

13.2 SVOD Services:

MT may offer SVOD services provided by third-party content providers as optional add-on services to the my.t home Service

SVOD Services may be accessed on devices other than my.t set top box subject to technical requirements including internet connectivity, compatible devices, and appropriate software.

13.2.1 The Customer is responsible for internet connectivity quality and device compatibility when accessing SVOD services.

13.2.2 MT shall not be liable for SVOD service failures arising from internet connectivity issues, third-party platform maintenance, or device incompatibility

13.2.3 SVOD services require separate recurring subscriptions. MT is not responsible for third-party content.

13.2.4 Each SVOD service is governed by separate specific terms and conditions which form part of this Agreement upon Customer subscription, and the Customer agrees to comply with such specific terms and conditions of each SVOD service provider, including any applicable terms and conditions that may appear on the Customer's viewing device screens from time to time prior to accessing the SVOD services and content.

13.2.5 SVOD content is for private, residential, non-commercial use only.

13.2.6 Content may not be suitable for all ages. Customers are responsible for parental controls and content suitability.

13.2.7 MT has no editorial control over SVOD content and accepts no liability for content claims. Each SVOD service is governed by separate specific terms and conditions.

13.2.10 SVOD services are charged as separate recurring monthly fees appearing on the Customer's telephone bill.

13.2.11 SVOD subscriptions may be cancelled independently of the my.t home Service in accordance with the specific terms of each service.

13.2.12 MT acts as billing agent and platform facilitator. Content provision and service quality are the responsibility of third-party SVOD providers.

13.2.13 MT reserves the right to commercialised SVOD Services and/or the third party SVOD services on a standalone and/or as part of bundle offer with other Packs via my.t TV platforms.

14.0 Use of Password/Access Codes

14.1 Password/Access codes will be assigned by MT to the Customer to access the Service through the Customer's MT telephone line.

14.2 Access to the Service is possible only after activation of the password/access codes provided by MT.

14.3 The Customer may at any time alter and at his discretion, the Password and Adult/Parental Control Code assigned to him/her for privacy protection.

14.4 The Customer is responsible for the protection of the secrecy of the password and Adult/parental control Code assigned to him at all times and shall ensure that the same is not revealed or disclosed in any manner whatsoever to any person or persons whomsoever. The Customer shall be fully responsible and liable at all times for any loss or damage arising out of any use or misuse of his/her Password/ Access Codes and/or Adult Code/Parental Control code.

14.5 In the event the Customer forgets or loses his/her Access Codes/Password, the Customer shall immediately call 8902.

14.6 The Customer shall send to MT's Customer Service Centre one week prior notice in writing for any change he/she wishes to make in his/her login. This service may be billed by MT.

14.7 MT reserves the right to suspend the Customer's password/Access Codes to the Service any time if MT reasonably believes or suspects that there is or is likely to be a breach of security or suspicion of fraud.

14.8 Any continued access to this service, the rate of which may be stated in the Customer statement of account, means the Customer will be deemed to have accepted the service as is. MT reserves the right not to consider any retroactive compensation.

15.0 Relocation of Service

15.1 If a Customer relocates to another premise, the Customer may make an application for the relocation of the Service to the new premises subject to any applicable fees and charges. The Customer acknowledges that any relocation of the Service shall only be effective if the new premise is within the coverage of the fibre network for Broadband Services.

15.2 A relocation charge will apply and this will include basic installation of all equipment required for the Service at the Customer's new premises. Any additional equipment will be subject to prevailing charges. The Customer's subscription to the Service shall remain valid and binding on the Customer during such relocation notwithstanding disruption in all or any of the individual Services.

15.3 In the event that a Customer's Service cannot be provisioned at the new premises because it falls outside of the service availability area, MT reserves the right to terminate the Customer's subscription to the Service and to offer the Customer other my.t offers at the discretion of MT. If the Customer opts to take up the other my.t offers, the early termination charges for the Service shall be waived. However, additional charges for relocation and installation of MT's equipment at the Customer's new premises shall apply. In the event that the Customer decides not to take up the other my.t offers, then the Customer shall be deemed to have terminated the Service and the early termination charges for the Service shall apply.

16.0 Customers' Obligations

16.1 The Customer shall at all time use the Service in accordance with the present Terms and Conditions and in accordance with the Laws of Mauritius and shall indemnify and hold harmless MT from any losses incurred by reason of breach of this clause.

16.2 The Customer shall, when accessing any other network through the Service, comply with the rules appropriate for such other network.

16.3 The Customer is responsible for the acts and omissions of all Users in connection with the Service and is liable for any failure by any User to perform or observe the Terms and Conditions of this Agreement as if it were a party to it.

16.4 The Customer shall not use the service in any way which, in MT's opinion, is, or is likely to be, detrimental to the provision of the Service to the Customer or any other Customer. This includes using the service for fax mailing.

16.5 This Agreement is personal to the Customer and accordingly the Customer may not assign or transfer his rights under this Agreement or any part of the Service itself without the prior written consent of MT. The Customer shall not allow and/or share his Service with any other user outside his home network nor shall he use the service for business purposes.

16.6 The Customer shall keep the CPE belonging to MT in good condition; fair wear and tear only accepted, and shall be fully responsible for the loss or damage to the same howsoever caused.

16.7 The Customer is solely responsible for obtaining the appropriate licences for and undertaking the appropriate maintenance of, any software necessary for use of the Service, other than any software which may be provided by MT, and the Customer agrees to comply with any Terms and Conditions governing the use of the software. In the event that software is provided by MT as part of the Service, MT hereby grants a personal, nonexclusive license for the term of this Agreement to the Customer to use such software solely for the purpose of the Service under this Agreement.

16.8 The Customer shall provide at his own expense, when so required by MT, all facilities and/or resources whatsoever necessary for the proper installation, operation and maintenance of the service and/or, but not limited to, power points, electricity, conduits, pipes, access or licence.

16.9 The Customer shall be responsible to ensure that the equipment/hardware used by him to access the service is adequate and is fully protected against lightning, power surges or other hazards.

16.10 The Customer shall not, in any case, resell or sublet the service or information presented to him through the Service. Such content is protected by copyrights, trademarks, service marks, patents or other proprietary rights and laws. Examples of prohibited reselling or subletting include, but are not limited to: myt home Service provision outside of the Customer's premises, resale of bandwidth, Internet connectivity, audio visual content or services provided by MT or any content provider except as expressly authorized by MT in writing.

16.11 The Customer shall promptly comply with all notices, instructions or directions given by MT in respect of the installation, use or operation of the Service and/or CPE.

16.12 The Customer shall permit MT authorised personnel to enter and remain on the Customer's premises and any other place under his control at reasonable times and for any reasonable lapse of time for the purpose of carrying out any inspection which MT may deem necessary for the purpose of this Agreement or to recover any CPE belonging to MT upon termination of this Agreement or any service provided.

16.13 The Customer shall acquire no right or property in the service number(s) such as but not limited to telephone number, mailbox number, network user identity, circuit reference. These number(s) may be changed or reassigned by MT in any way whatsoever without being liable to the Customer.

16.14 For any subscription to a my.t home Service, the Customer shall be solely responsible for ensuring that the settings of his modem are correctly set to avoid unwanted transmission of data over the Internet.

16.15 The Customer shall be solely responsible for the data retrieved, stored or transmitted through the Service.

16.16 The Customer shall be solely responsible for managing the use of the storage capacity for services such as email and web-page hosting such that it is within the capacity allocated to him or as may be amended by MT from time to time.

16.17 The Customer shall bear all responsibility for any degradation of service which may be caused by the presence of a LAN on involving more than one computer.

16.18 The Customer shall, at all times, ensure that his personal equipment is compatible with my.t home Services.

16.19 The Customer shall strictly comply with and ensure compliance by users of the Service with all instructions or notices in whatever form and through whatever means given by MT regarding the use of the software for accessing the my.t home services.

16.20 Connection and usage of any CPE shall be in strict compliance with applicable instructions, safety and security procedures as communicated by MT.

16.21 The Customer shall, at all times, use MT CPE equipment to access the my.t home Services. The Customer shall be fully liable for any damage or loss in the event other CPE equipment is being used.

16.22 The Customer shall protect and keep confidential all intellectual property provided by MT through any equipment and shall not copy, alter, reverse engineer, or tamper with any such equipment or use the equipment other than for the Service.

16.23 The Customer shall not resell, transfer, export or re-export any MT CPE, or any technical data derived there-from, in violation of any applicable legislation.

16.24 The Customer shall be responsible for MT equipment on the Customer's premises and shall not modify, interfere or tamper with the MT equipment. The Customer shall be liable to MT for any loss and/or damage to MT equipment howsoever occasioned or caused (including but not limited to power surge and lightning).

16.25 In the event the service is terminated, the Customer shall return all equipment to MT within 15 days. In the event all that equipment is not returned within 15 days or/and not fully in good condition, except for normal tear and wear, MT will bill the Customer all relevant charges (including parts and components) on his MT telephone bill as per tariffs detailed on the my.t website.

16.26 The Customer agrees that his/her activity will not improperly restrict, inhibit or degrade any other Customer's use of the service nor represent (in the sole judgment of MT) an unusually large burden on the network itself. If Customers are found to be making excessive use of their broadband service they may find their service restricted, as per the Fair Usage Policy and if it continues may have their service suspended or cancelled.

17.0 MT Rights and Obligations

17.1 MT shall have the right to examine the use of the Service by the Customer and to disclose such use to third parties for legal or statutory purposes, in order to identify misuse or abuse of the Service, or to ensure the smooth running of and identify faults in its network.

17.2 Access to the Service may be occasionally restricted to allow repairs, maintenance and upgrades in which case MT will use all reasonable endeavours to provide the Customer with advance notice of such restriction.

17.3 MT shall have the right, at any time and upon reasonable notice, to send a MT representative to the Customer's premises to undertake any necessary maintenance.

17.4 The Customer hereby agrees that MT may refer to the Customer, by company or trading name, and to the existence of this Agreement in any marketing or promotional materials.

17.5 MT shall maintain and control ownership of all IP numbers and addresses that may be assigned to the Customer by MT and MT reserves, in its sole discretion, the right to change or remove any and all such IP numbers and addresses.

17.6 In the event, the Customer's CPE as provided by MT has manufacturing defects, the equipment shall be returned forthwith with all cables, parts and components and another equipment will be provided to the Customer depending on availability for use till the end of his subscription.

18.0 TV Channels and Quality of Service

18.1 The Customer acknowledges and agrees that the TV Channels/programmes and/or Contents are not owned by MT and are subject to broadcast rights of content owners, editors, producers and distributors. As such nothing in this Agreement shall be construed as imposing on MT the obligation of providing an uninterrupted, continuous and regular service.

18.2 The Customer agrees and accepts that MT reserves the right to discontinue, substitute, delete, modify or black out all or part of its TV Channels/programmes and/or Contents including any of its offers due to any commercial issue, any broadcasting rights issue or any other issue whatsoever, and MT shall not be held liable under such circumstances.

18.3 MT shall use its best of endeavours to offer a quality of service of a competent Infocom service provider.

18.4 The Quality of Service is subject to the following:

18.4.1 The proximity of the Customer to the MT Exchange

18.4.2 For my.t home Service, the Customer's computer equipment must meet the minimum system requirements as set on the my.t website

18.5 MT shall use its best endeavours to maintain an acceptable level of service.

18.6 The Customer acknowledges that it is technically impracticable to provide a fault free Service. MT shall however use its best endeavours to repair any reported faults as soon as feasible.

18.7 Should a service interruption be due to an act or omission of MT and last for more than five (5) consecutive days, MT shall provide to the Customer a pro-rated credit of the subscription fee covering the period of interruption from the time such interruption is reported to MT. This remedy represents MT's sole liability for service interruptions and excludes any other damages or compensation claims.

18.8 The Customer is required to report any fault and/or interruption to MT immediately as any refund will only be provided for the period starting on the date such interruption is reported.

18.9 No Customer shall be entitled to any refund for interruption of service caused by a third party, Force Majeure and/or planned modification or upgrade.

18.10 MT reserves the right to charge the Customer for any intervention caused by a misuse of the Service by the Customer.

19.0 Termination

19.1 The Customer may cancel any my.t home Service order within seven (7) days after the my.t home Service has been provisioned by MT by submitting the duly filled Cancellation Form.

The Customer shall be liable to pay a cancellation charge of Rs 1000 for the said cancellation and any other charges for use of Service.

19.2 Termination shall be effective within fifteen working days from the date of receipt of Customer's request.

19.3 Notwithstanding Clause 19.1 hereof, the Service may be terminated forthwith by MT if:

19.3.1 the Customer is in material breach of any of the Terms and Conditions herein contained and/or the Terms and Conditions applicable to any telecommunication service subscribed by the Customer from MT and/or terms and conditions of any other agreement entered into between the Customer and MT or has provided any information which is incorrect or incomplete.

19.3.2 the Customer has used, attempted, or is likely to use the service and/or equipment in contravention of any law or to cause any annoyance, embarrassment, harassment, disturbance or nuisance of any kind whatsoever and to whomsoever or if it is not in the public interest.

19.3.3 a request for termination of the Service has been made to MT by the official renter of the telephone line.

19.4 MT may, without prejudice to any other rights or remedies of MT and notwithstanding any waiver or any waiver of any previous breach, suspend the service or all services in the event that any monies payable by the Customer for that service, any other service or under any other agreement(s) including any monies payable for any services provided by any other party whereby MT derives a pecuniary or other benefit and/or acts as a billing and/ or collecting agent for the same for such other party whether for reward or otherwise are in arrears or any amount shown in MT's bill is not settled in full or any deposit or any increase thereof required by MT is not furnished by the Customer.

19.5 Such suspension shall deem to terminate the Service as from the date of the suspension and the Customer shall be liable for all charges, fees and rentals incurred up to the end of the minimum period of subscription or date of termination of the Service.

19.6 Notwithstanding 19.4 and 19.5, upon subsequent payment by the Customer of such sums as demanded by MT, MT may if it deems feasible at its sole discretion and subject to such terms as it deems proper, reconnect service or services, as the case may be, in which event this Agreement and/or the service thereby affected shall continue as if the same has not been terminated.

19.7 MT may terminate the Agreement without notice if the Customer:

19.7.1 violates any applicable laws, rules or regulations issued or promoted by any competent government authority, including without limitation any intellectual property laws or export control laws restricting the transfer of certain technical data and software across international borders or to foreign nationals;

19.7.2 violates or attempts to violate the security of any network, service or other system;

19.7.3 transmits any materials of a threatening nature, including threats of death or physical harm, harassment, libel, or defamation;

19.7.4 distributes offensive materials, including obscene, pornographic, indecent, and hateful materials;

19.7.5 for purposes of distributing "spam" or any other forms of mass unsolicited electronic communications; or

19.7.6 in a manner that interferes with any other user's ability to use the Service.

19.8 Notwithstanding the foregoing provisions in this clause, MT may terminate the Agreement and/or the Services by giving the Customer fifteen (15) days prior notice.

20.0 Notices and Instructions

20.1 MT shall publish all notices and/or instructions as regards the service on the Mauritius Telecom website at and/or on themy.t TV Portal.

20.2 The Customer is required to regularly consult the Mauritius Telecom website and/or my.t TV portal for instructions or any change in service.

20.3 MT shall not be liable for any disruption, loss and/or damage caused to or suffered by the Customer from a failure of the Customer to take cognisance of a notice or follow the my.t home Service instructions.

20.4 The contents are subject to changes, replacement and/or interruption at any time at the exclusive discretion of MT.

20.5 MT is not owner and/or producer of the contents and has the right to commercialise the contents “as is” to its Customers.

20.6 MT reserves the right to replace any channel during the duration of the Agreement at its own discretion.

21.0 Force Majeure

21.1 If either party is unable to perform any obligation under this Agreement because of a matter beyond that party’s reasonable control or events beyond the reasonable control of that party’s suppliers, that party will have no liability to the other for that failure to perform.

21.2 In the event of refusal or delay by a third party to supply a telecommunications service to MT or delay in the renewal of back to back agreements between MT and its suppliers and where there is no alternative service available at reasonable cost; or the imposition of restrictions of a legal or regulatory nature which prevent MT from supplying the Service then MT will have no liability to the Customer for failure to supply the Service.

22.0 Disclaimer

The Customer acknowledges and agrees that any and all Service provided to him/her pursuant to this Agreement are provided to him/her pursuant to this Agreement are provided “as is” without any warranty of any kind and the use of the Services is entirely at his/her own risk. MT on its own behalf hereby expressly disclaims all warranties with regard to the Service whether express, implied, statutory or otherwise,

including, without limitation, any implied warranties of merchantability, fitness for a particular purpose, title, non-infringement and any warranties arising from course of dealing or course of performance.

23.0 Technical Assistance

23.1 For assistance on the use of the Service or specific feature on the Service, the Customer may reach Mauritius Telecom hotline service on 8902. Calls to 8902 are free when originating from my.t fixed telephone lines.

23.2 MT shall use its best efforts to attend to any fault reporting within reasonable delay.
